

Moderna 45 Angle Glow Series

45-DEGREE ANGLED SHADOW BOX STYLE LED Illuminated Mirror

REFLECTIVE LIGHTING

DESCRIPTION

The Moderna Angle Glow Series offers a slimline, inward facing illumination on a 45-degree angle within a shadow box frame. The angled light pattern directs more light towards your face giving you better illumination for daily tasks. A backlit option is also available to enhance your design aesthetic. Available in a fully customizable rectangular or square silhouette. As an added bonus, your mirror can be upgraded with an integrated Night Light or Bluetooth speaker giving you even more user friendly options.
